Canadian Clinical Trials Asset Map (CCTAM) Presentation

❖ **Monday June 22nd, 8:30am - 11:00 am**

St. Paul's Hospital, New Lecture Theatre, Providence Building, Rm. 1477

❖ **Elena Aminkova** *Project Manager, Rx&D, CCTAM*

❖ **Heather Harris** *Director of Operations, BCCRIN*

❖ The **CCTAM** is a unique, robust, searchable web-based database designed to showcase Canada's clinical research strengths and **position Canada as an attractive global destination for the conduct of clinical trials**. The CCTAM is overseen by the Canadian Clinical Trials Coordinating Centre (**CCTCC**).

❖ The CCTAM stems from the Action Plan to help attract more clinical trials to Canada. This initiative is spearheaded by: Canada's Research-based pharmaceutical companies (**Rx&D**), the Canadian Institutes of Health Research (**CIHR**), and **HealthCareCAN**.

❖ **Learning Objectives:**

- *Why the CCTAM was developed and why it is important to Canada*
- *Benefits of the CCTAM*
- *How to be included in the CCTAM*
- *How the CCTAM supports sites, institutions, networks and investigators*

***Seating is on a first-come first-serve basis**

***Light breakfast will be provided**
